Gathering Data: Profit and Loss Statement

•	Make sure your expenses fall in the proper	when reviewing your
	profit and loss statement to help determine healthy levels	for each category.

Questions to consider when projecting expenses for upcoming year:

Will I be purchasing new equipment?	
Will we add team members in the upcoming year?	
Adding new services?	
Is a loan close to pay off?	
Computer expansion or upgrade	

Setting Financial Goals
"A Goal without a plan is just a wish"

STEP #1

Once expenses are projected you have a baseline for determining what the practice needs to produce for the upcoming months. What are additional key factors to setting the goal?
